

Como App Examples

Home screen (1/3)

Tip: Let your customers know more about your loyalty program from the App home screen

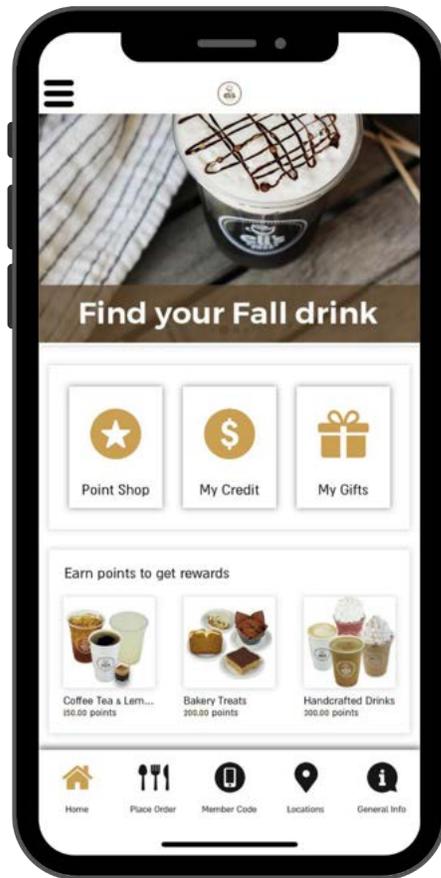

Home screen (2/3)

Tip: add widgets for an easy customer navigation

Tip: show your points shop directly on your home screen

Tip: Auto-redeem widget ("My Rewards Progress") lets the customers know how close they are from their next benefit. Add an icon that fills as the customer gets points

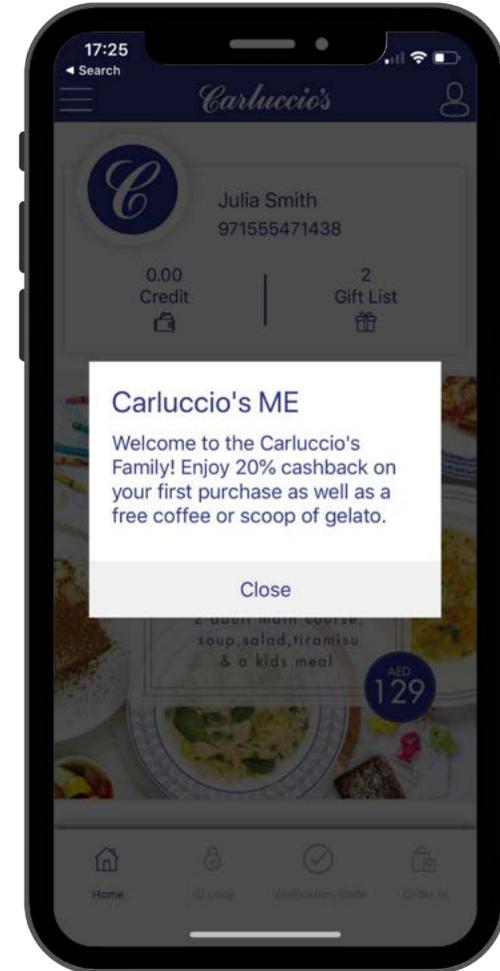

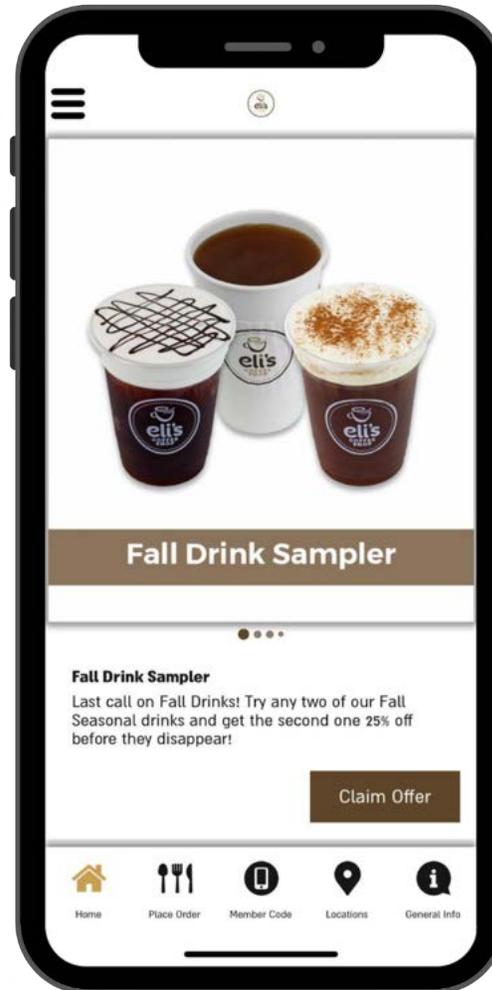

Home screen (3/3)

Tip: show your member's Tier status on your home screen

Tip: Catalogue Widgets are great to highlight different offers

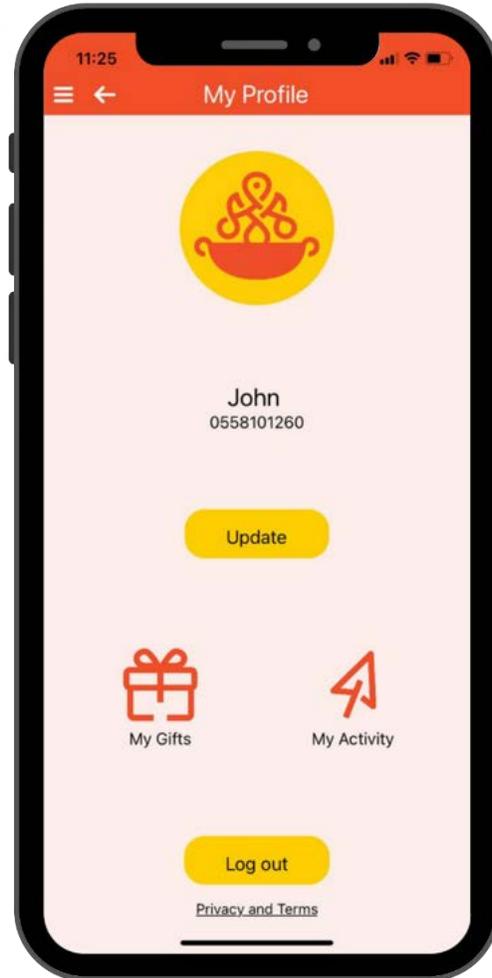

Tip: In-App Welcome messages personalize your communication

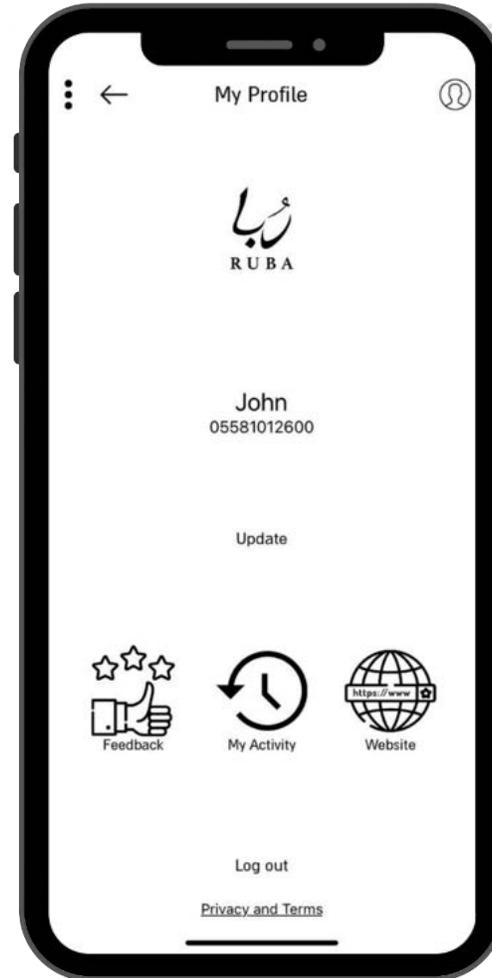

02 Member Profile

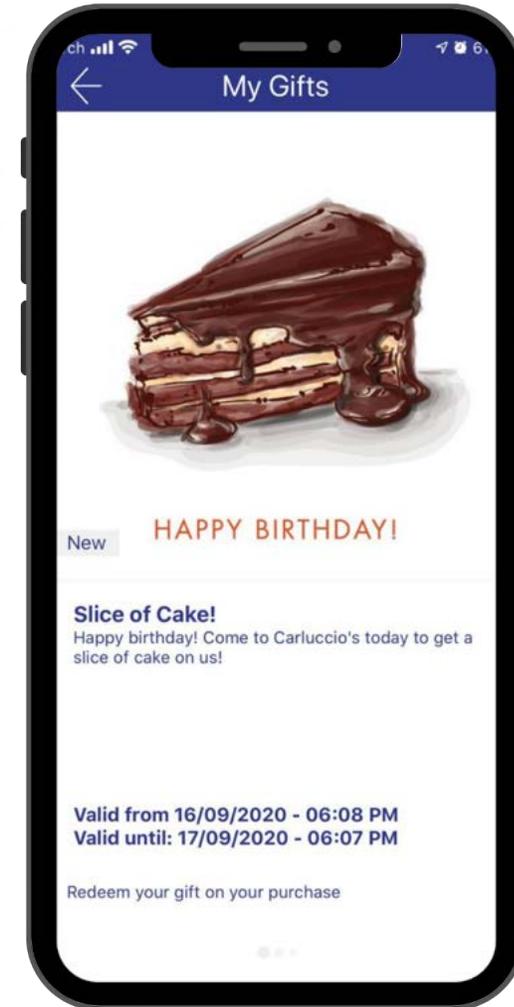

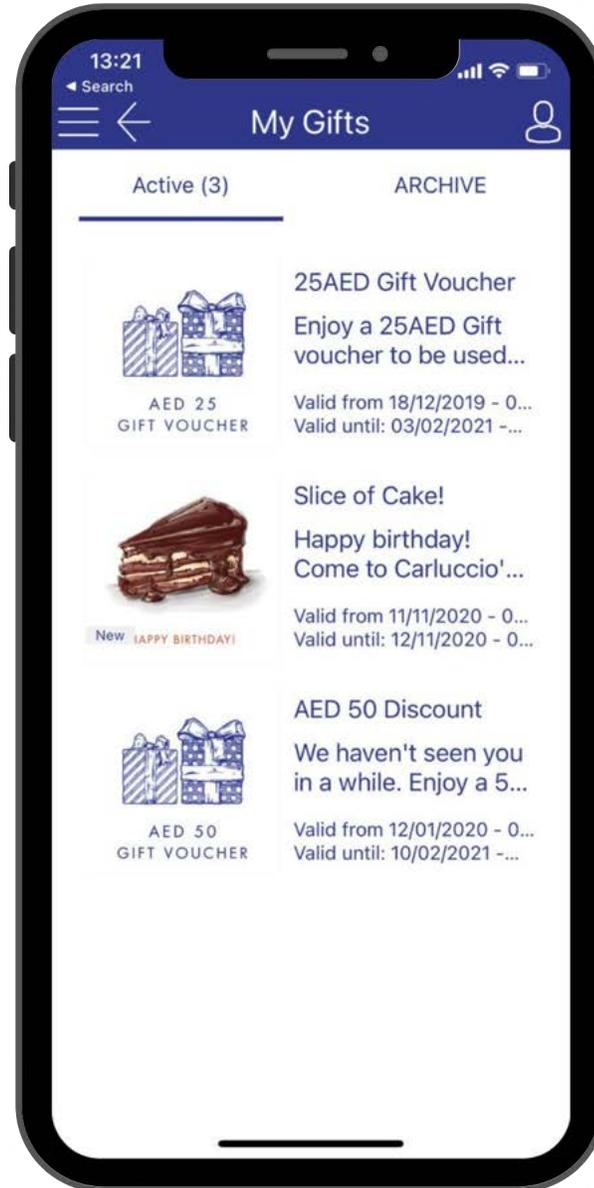

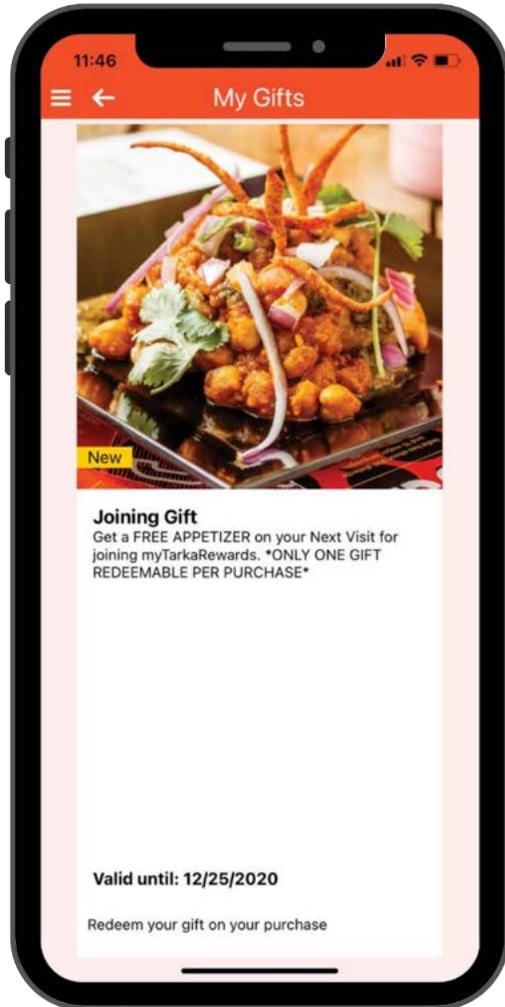

Tip: add background and buttons colors

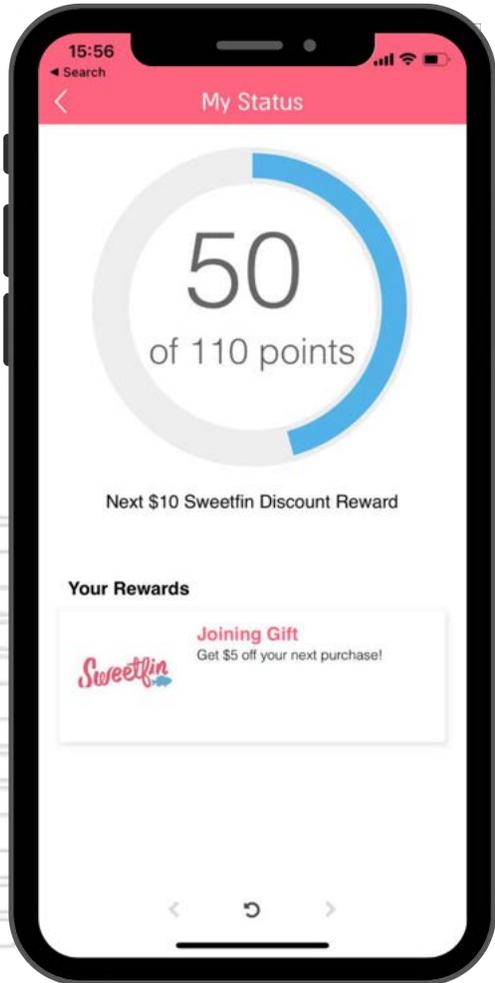

Tip: Select different call-to-action buttons to redirect your customers to the relevant screens

Gifts

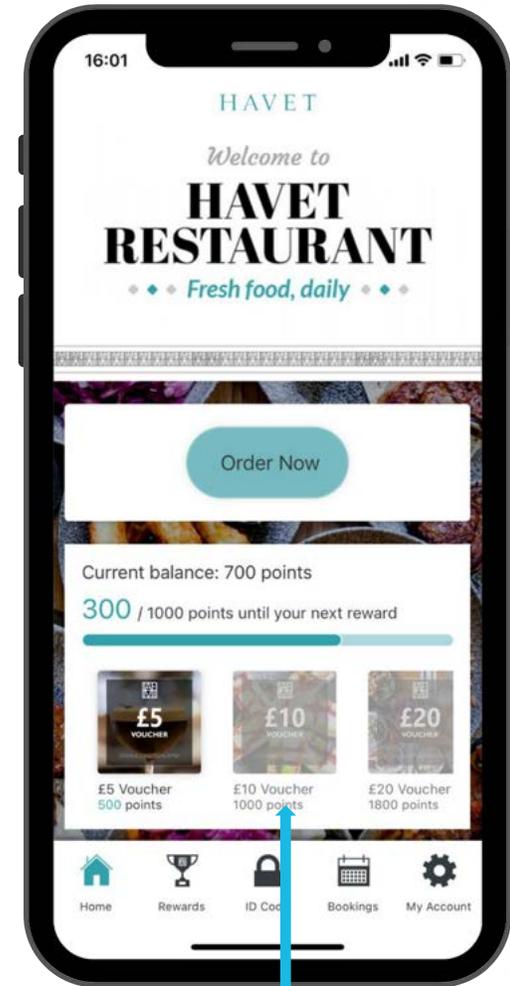

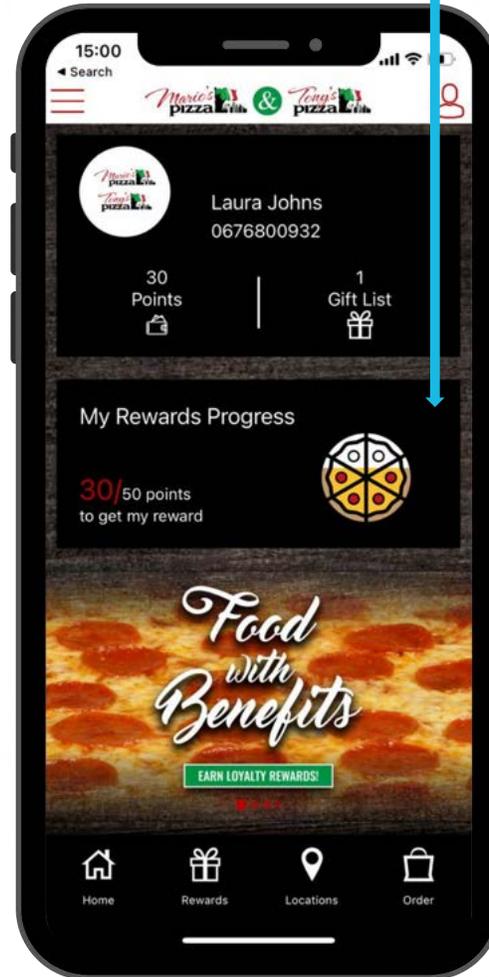

Points Shop

 **Tip:** add nice visuals to your Points Shop

 **Tip:** Auto-redeem widget colors your image as your member gets more points. When the image is full, the gift is available!

 **Tip:** Show the points current balance directly on the home screen

Punch Cards

 **Tip:** you can add a background to your screen

 **Tip:** Choose nice visuals that clearly explain the deal

 **Tip:** The punches can have your own branding

Tiers

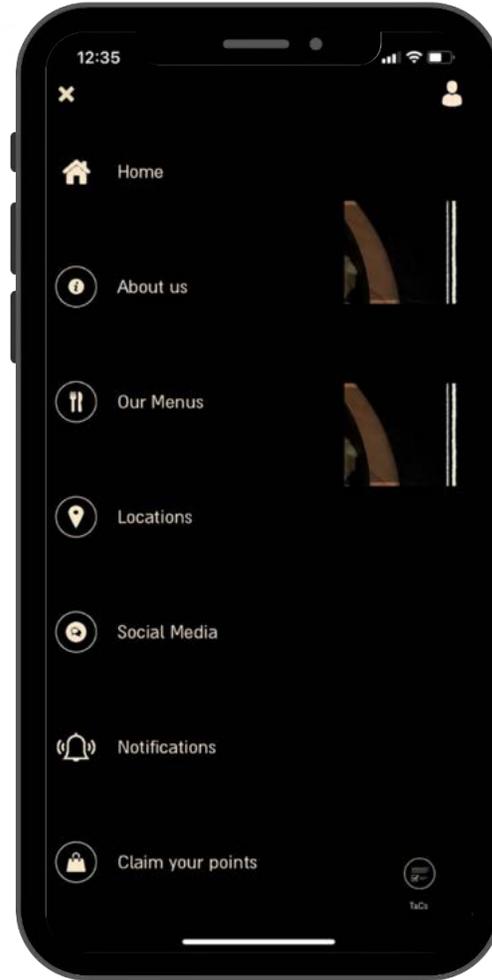

Tip: tell your customers more about the different status

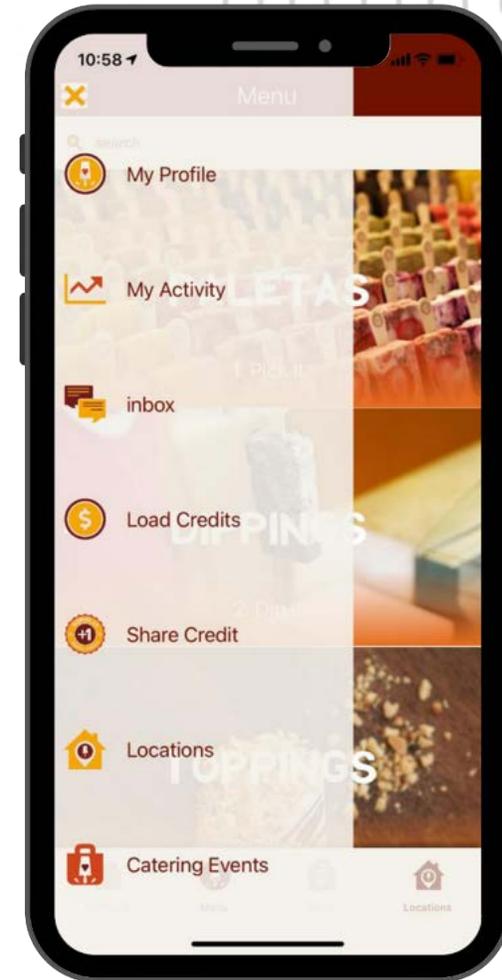

Side Menu

Tip: Choose your Side menu background color

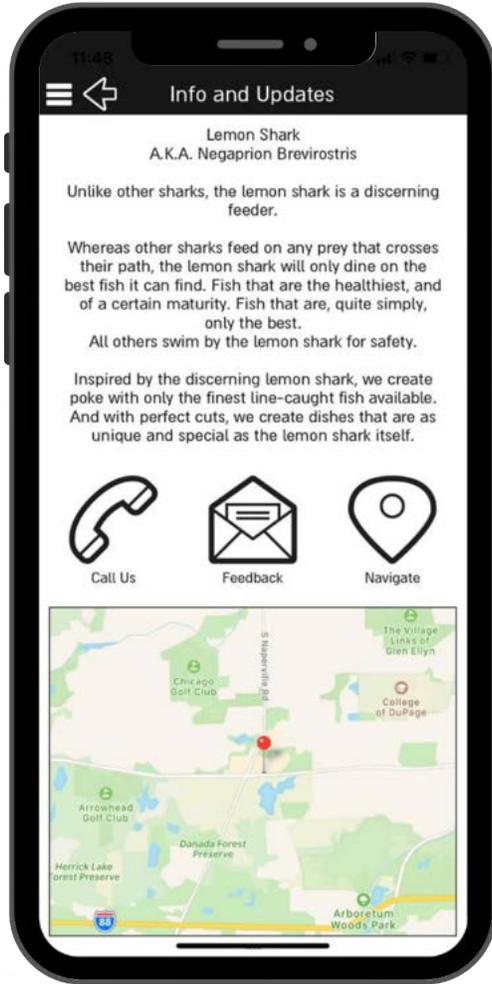

Tip: You can add icons to your side menu

Tip: You can choose transparent background

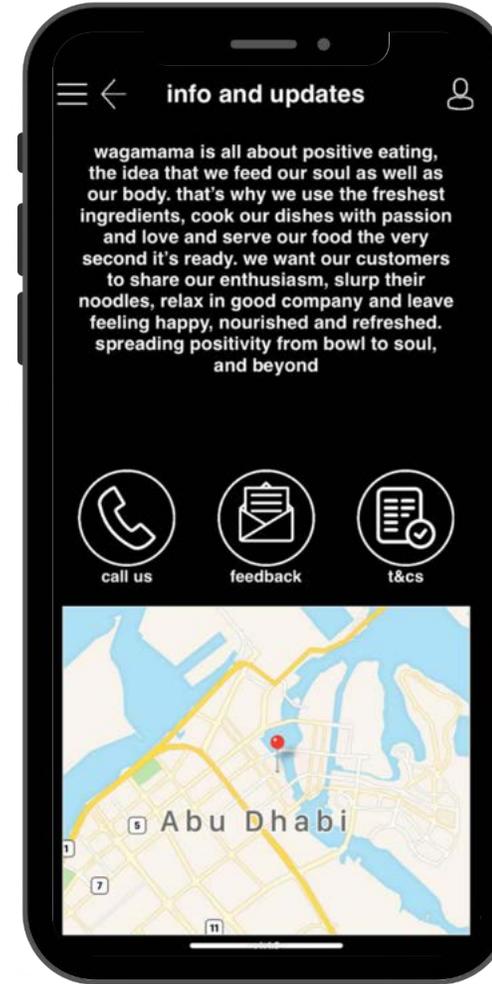

About Us

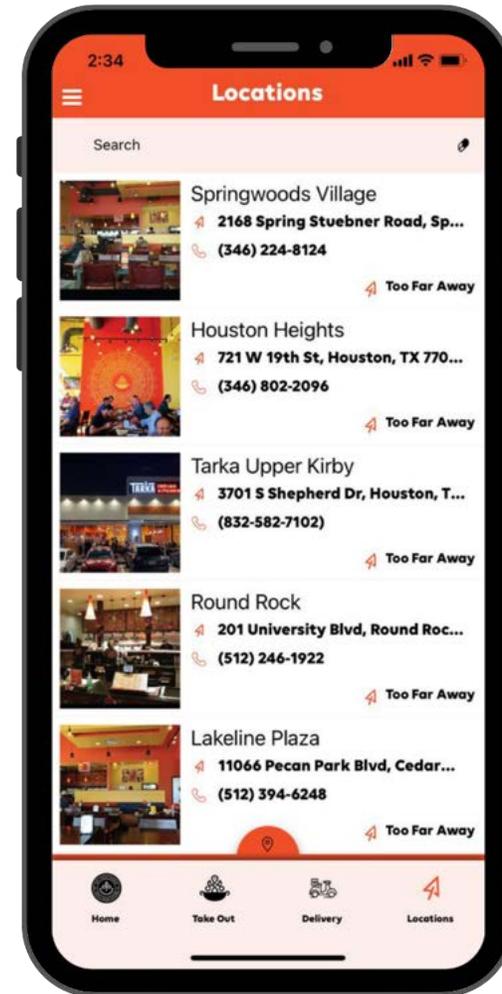

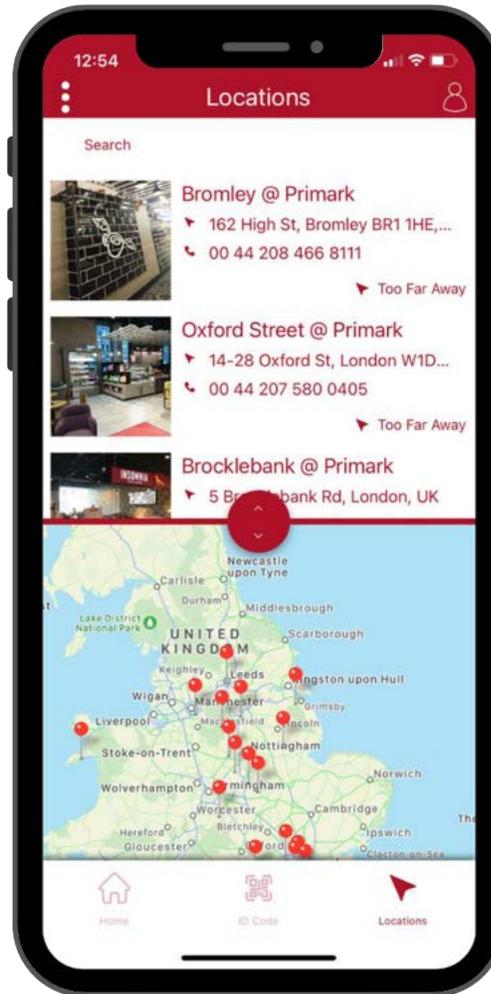

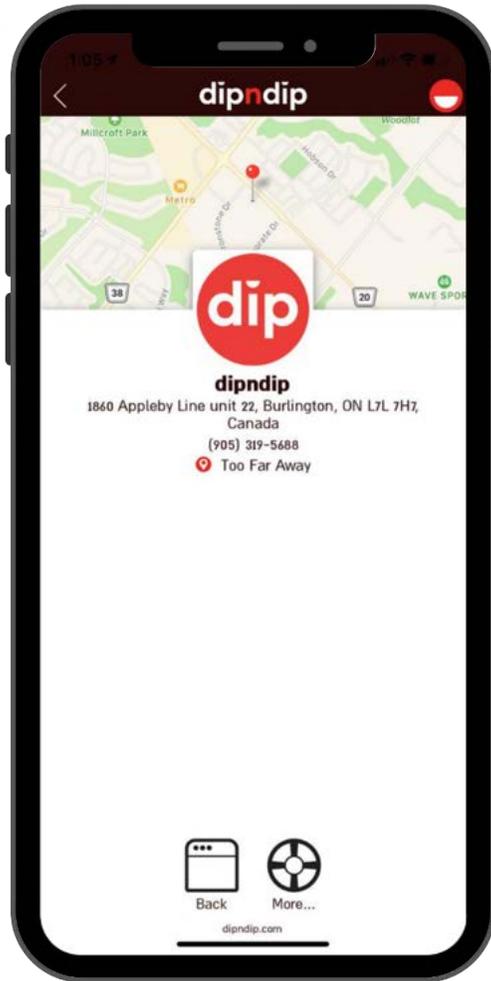

Tip: Add a nice description to tell your members about your values and DNA

Tip: You can redirect to your website page

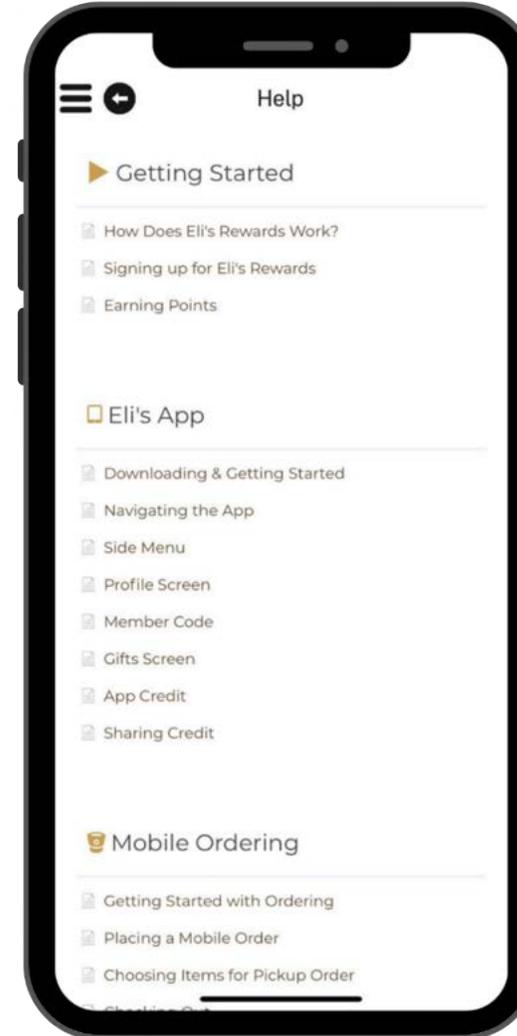

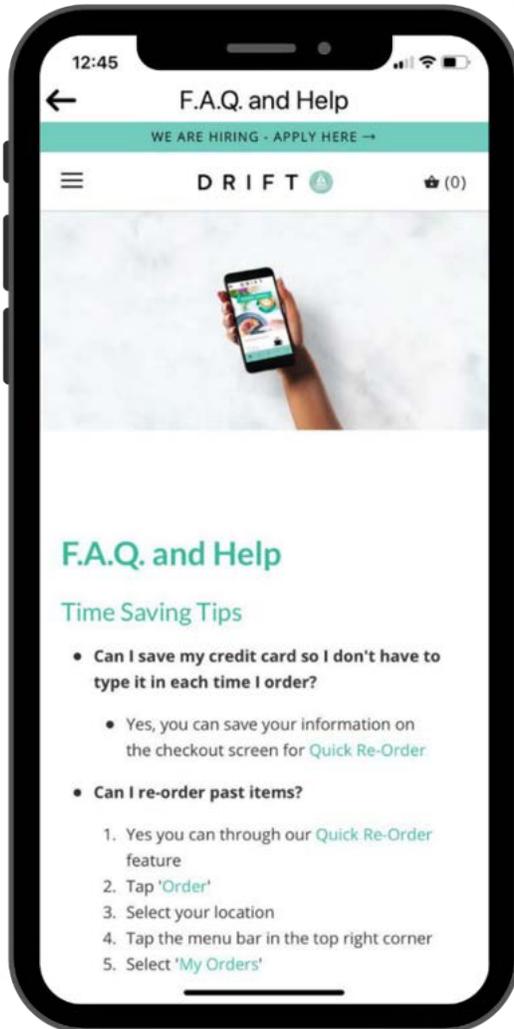

Locations

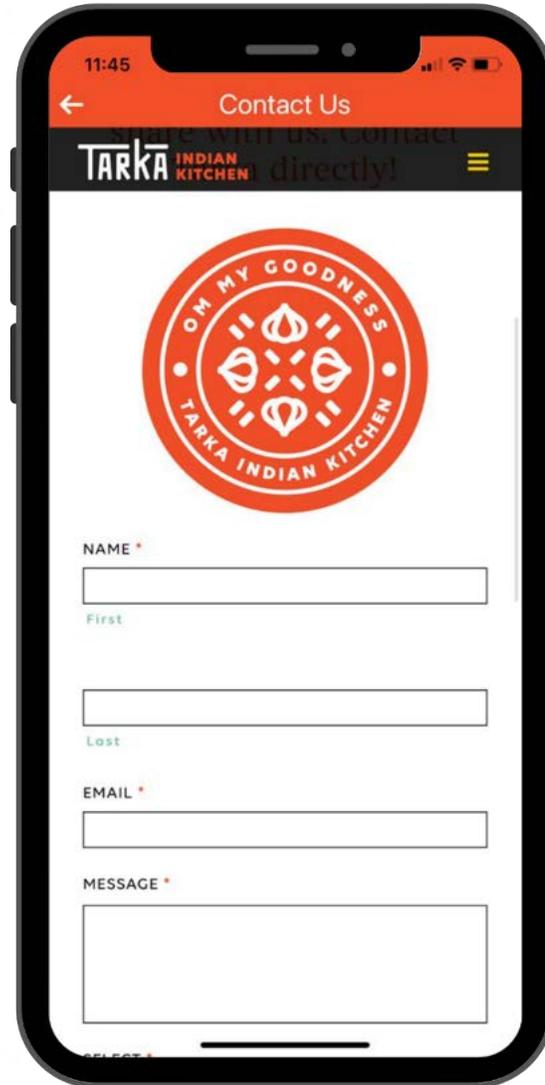

Tip: Provide us with your locations images for a better-looking result!

FAQ and Help

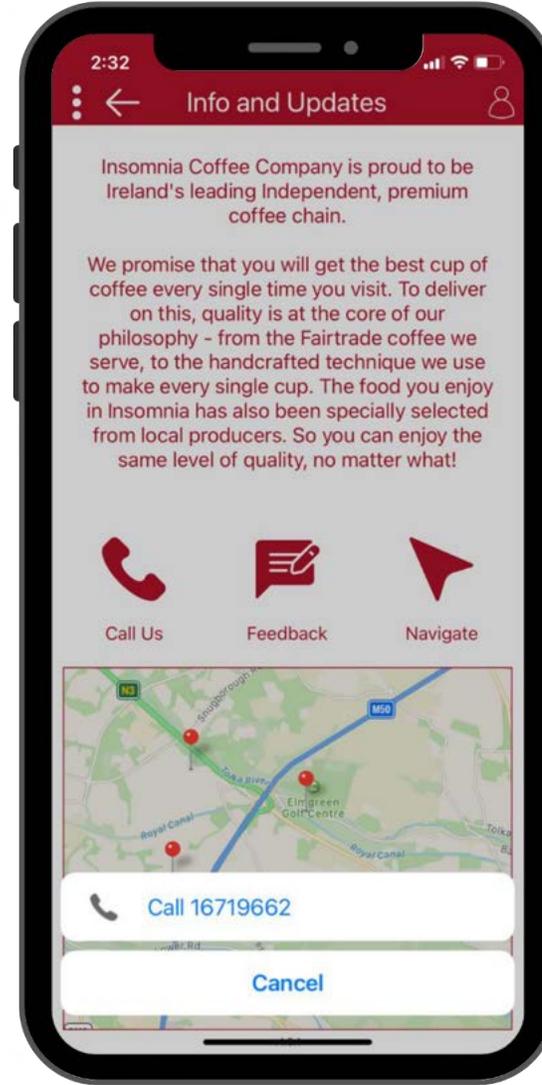

Tip: Redirect your customers to a website FAQ page, or add a PDF file into your App, to answer all of their most common questions

Contact Us

Tip: Embed a form to allow your members to contact you

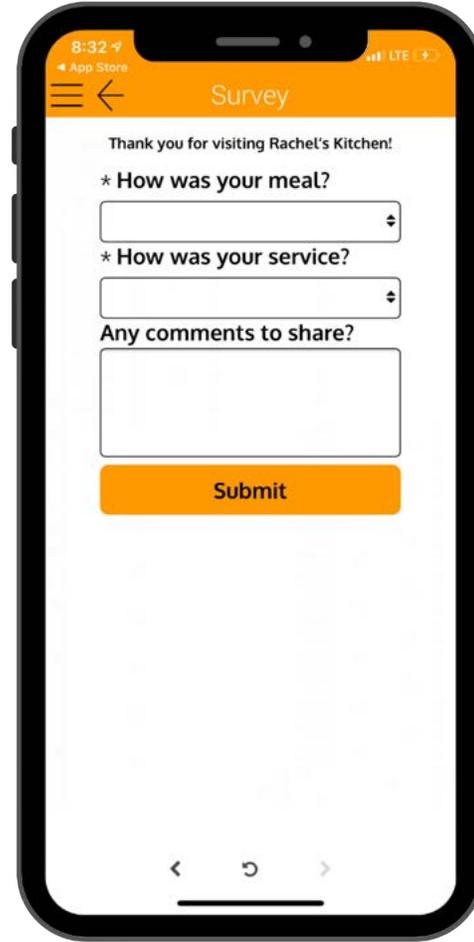

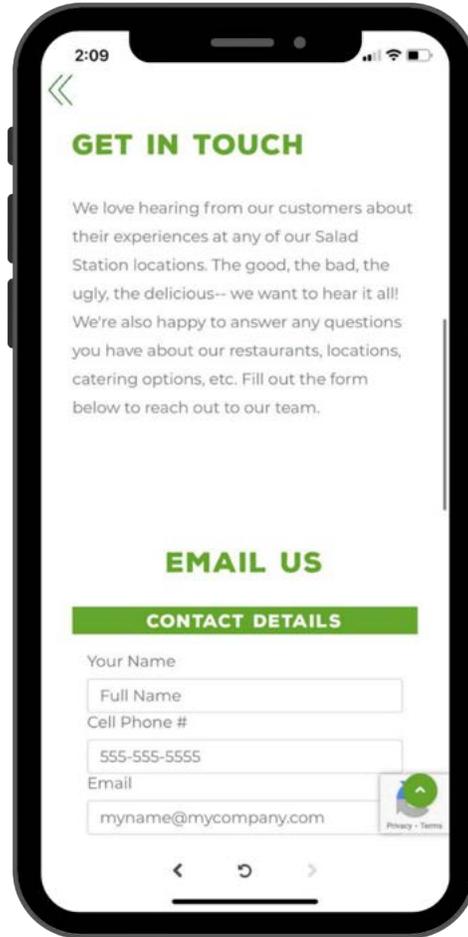

Tip: Add your support phone number in the "About Us" page

12 Feedbacks & Surveys

 **Tip:** Add emojis to your answers options!

 **Tip:** You can redirect to your own website

 **Tip:** Dropdown lists make it easier for your member to reply to your forms
